SUBJ: Grade Reporting and Report Card Information

Dear GCPS Families:

We hope that the transition to the 2021-22 school year has been successful for your child. As we approach the end of the first quarter, GCPS will be implementing the following changes to student grade report distribution:

- **Kindergarten, Grades 1-2:** Printed copies of student grade reports will be distributed quarterly as indicated in the GCPS 2021-22 school calendar. The calendar can be viewed at: <https://gets.gc.k12.va.us/Calendars>. A final, printed Report Card will be distributed and filed in each student's official school record at the end of the 2021-2022 school year.
- **Grades 3-12:** Student grades are tabulated in an electronic gradebook. Student grades are finalized after the "Report Card" date for each quarter listed in the GCPS 2021-22 school calendar. The calendar can be viewed at: <https://gets.gc.k12.va.us/Calendars>. After these dates, the previous Quarter grades will be considered "FINAL" and official. Student grades may be viewed by parents/guardians through the "Quick Lookup" feature of the Parent Portal of PowerSchool. Information about creating or accessing a child's account will be coordinated by each school. A final, printed Report Card will be distributed and filed in each student's official school record at the end of the 2021-2022 school year.

Please contact your child's school if you have any specific questions regarding access to your child's quarterly grade reports.
